:- Famine relief works - Kollegal Taluk - Appointment of a Minor Irrigation Overseer - Sanction - Request.

In connection with the restoration of certain irrigation tanks drinking water wells for providing employment and drinking water people in parts of Kollegal Taluk which are affected with scarcity e to the failure of rain, the services of a Special Minor Irrigation Overseer are urgently required. I therefore request that the Board be pleased to sanction the employment of a Minor Irrigation Overseer at Kollegal for a period of six months or until the necessity his services ceases whichever is earlier.

There are no Minor Irrigation Overseers in this district fit being deputed for this special duty. As the works have to be gently executed, I request that the Board may be pleased to depute a Minor Irrigation Overseer from another District and he may be ordered join duty as early as possible.
